REDWOOD REGION

President's Message

Bill Walters

**A**pologies for the tardiness of this issue folks. I finally have some "real" work for a change and don't have the time to sit around anymore making nice little Redwood calendars with fancy pictures anymore. Plus, this Presidency stuff really keeps you busy. No wonder all past presidents have that knowing smile when they pass. Don't get me wrong, I am loving the new position; it's kind of like the first time you hit the curb on your new bike. You come home with a bruise but somehow it still feels good.

Most importantly we want to support Kurt and the upcoming Marin Sonoma Concours d' Elegance. This event is very important for our Club and it will bring a lot of attention from media all around the area. Check out Kurt's Korner for all the details and see how you can help out.

**S**econdly, Jerry Gladstone is finalizing revisions to our Bylaws and we will be seeking your input in the near future. The Bylaws are unique to our Region and your thoughts will be welcome for how we conduct our operations now and in the future. Please stay tuned for upcoming reports from Jerry

We also may be re-paving/patching out beloved autocross track in a week and this will greatly enhance our road-going experience. With the help of Kurt, David Bunch and Jim Winston, we have finally reeled this in and I am hoping by next issue we will have a much improved course. Stay tuned for drivers' observations!

What else. The Hoppy Beer Tour is coming up FAST. Hop on board fast for a very entertaining new venue brought to you by Rob and Mary Neidel. ALSO, our very favorite breakfast run to Rancho Nicasio will be coming up fast on April 3<sup>rd</sup>. Check out the website for details on these events!

**A**nd one more thing...check out your March Panorama, page 85.

*Bill*

## Kurt's Korner

*Kurt Fischer*

**I** am only fixated on one thing now until after May 16, 2010 and that is the Marin-Sonoma Concours d' Elegance and the Redwood Region's participation in the biggest Porsche event in all of Zone 7 for 2010.

We have three categories of events that you can partake in...

1. We are still looking for the best of the best in Porsches for the Concours itself. We will be using the PCA Zone 7 Concours rules for "street" class, which covers everything except the chassis and underpinnings in these classes; 356, 911's to 1973 and newly added 912's and 914's to 1976 along with Porsche race cars of any year! If you have that fine car or know of

someone who has one...please go to this link!

[http://www.marinsonomaconcours.org/documents/VEHICLEENTRYAPPLICATION\\_001.pdf](http://www.marinsonomaconcours.org/documents/VEHICLEENTRYAPPLICATION_001.pdf)

2. On Saturday, May 15, 2010, we have "The Drive" which starts in Mill Valley with a continental breakfast and after a 2 + hour spirited drive on the back roads of Marin and Sonoma Counties ends up with a gourmet lunch at the Rockin H Ranch situated on the Petaluma River. The cost for this event is **\$40.00 per person**. We are allotted 75 cars or 150 people on the first come basis! We already have over 60 people on this tour, so do not get left behind. Get your application in ASAP. This is for any Porsche, regardless of year! Here is the link for "The Drive".

[http://www.marinsonomaconcours.org/documents/DriveVehicleEntryApplication\\_002.pdf](http://www.marinsonomaconcours.org/documents/DriveVehicleEntryApplication_002.pdf)

3. On Sunday, May 16, 2010 for the Concours, we have about 108 spaces in a special Car Corral Area adjacent to the Concours field and not stuck out with the rest of the "other" cars! Corrals are great places for socializing and general tire kicking of our favorite marque. The cost for the corral is \$40.00 per car and **that includes 2 admissions** to the Concours! Here is the link.

[http://www.marinsonomaconcours.org/documents/CARCLUBENTRYAPPLICATION\\_000.pdf](http://www.marinsonomaconcours.org/documents/CARCLUBENTRYAPPLICATION_000.pdf)

Last year, the Marin-Sonoma Concours d' Elegance had 180 cars on the field and thousands of visitors for its first year and this year, the field has been expanded to 200 cars. You will not find a better Concours on this side of the Golden Gate Bridge; you name the car and it will be there!

Remember **PORSCHE** is the featured marque and we will have the iconic Janis Joplin wildly painted 356 there on display along with many other surprises! This Concours is in our own backyard...the Redwood Region and benefits Hospice By the Bay. All events are tax deductible! Please reserve your space now, as these events will fill up fast!

**W**hat do 75 drivers do on a Saturday in March with questionable weather? Why we were all at the first Redwood Region Autocross of 2010!

With the weather changing on almost a hourly basis, our esteemed Autocross Director, David Bunch made the call and sent out emails to all the racers saying "We have the weather...we have the venue...let's do it."

**A**s I arrived at the Santa Rosa Airport at 7:30AM...I was prepared; rain gear, cold weather gear with gloves and dressed in layers! Slowly the cars and drivers trickled in and then groups of 4-5 cars making for a full field for the need for speed after a very long winter here in Northern California. Luckily, our intrepid photographer, John Jackson was shooting candid shots at the gate and was quickly enlisted in helping with all the signups as the sun was peeking through the clouds!

By 9:00AM, I could tell...this was a real full house driver wise and warmth wise as I peeled off my first layer! Lots of old faces were there and with our new rules with only Porsche owners and ESCA members all sporting their new identity cards a number of new faces!

David had the drivers' meeting and the cars in the first run group lined up for our 10:00AM start. The season is here, you could tell with all the tweaks, and fiddles with tire pressures...this group was ready!

*Neil Librock from GGR instructing.*

**B**y our lunchtime break, the track and the drivers had heated up substantially as the times and clothing were dropping on the fast course that David set up. It is always fun to watch the drivers come in from their runs with huge grins and pumping of fists and thumbs up getting their timing slips!

What a great day... the weather cooperated in spades ...the participants all left with big grins. Thanks to David for his direction and course design, Mac Cranford for registration, Tom Strobel, Vern Rogers, Sharon Neidel and Bill Newton for assisting wherever possible and to all of our instructors for another great Redwood Region Autocross.

Our next event is our Zone 7 two day Autocross on April 17-18, 2010. Be there... Aloha!

Don't forget to check out our website "Autocross" for more great pics. by John Jackson and Ronald Breeze Photography, and Justin Moore's Video Links.

**Minutes:** The minutes of previous meeting were approved as submitted.

**President's Report:** National Board Meeting held in San Jose March 20th & 20st. Zone Rep. Sharon Neidel was able to convince 9 of our 10 Region Presidents to attend. Kurt Gibson gave kudos. RR's National fee up \$4.00. National wants dealerships to get more involved with club and members; not very involved with club now. Rebates? Pursuing property instead of renting. Yosemite President looking into creating Zone 7 car badges. Asking regions to vote on participating to sell 100-150-200 badges for about \$15.00. RR will consider. Need to repair pavement at airport autocross site. RR to contribute \$2,500 and get two free track days. ESCA to contribute \$2,500. With \$2,000 from shootout there is \$7,000 available. Now waiting for bids on asphalt contractor. Reminder: Marin-Sonoma Concours -- check out website. Only 16 cars registered so far, seeking 30. 120 cars for car corral (with fee). Parade registration opens March 9.

**Vice President's Report:** So far there are 10 sign-ups for the Rancho Nicasio Breakfast Run on April 3.

All election ballots were cast by postal mail and collected by December 1, 2009; the official tally was 80 member votes and 48 affiliate votes for a total of 128 votes. All 128 votes were cast for the running slate; there were no write-ins. As per Redwood Region Bylaws, the biennial revue is underway. Changes under consideration are removing the provision for electronic voting as this was found to not be practical. We will vote by postal mail. Responsibilities of some chairs/directors that were not previously define now have been. Definition of which positions are voting Board members is being determined. Look for the revision draft soon. Dave Bunch advises that National will be issuing new guidelines on region bylaws.

**der Riesenbaum Editor's Report:** Will be published on the 5th of the month after membership report received from National.

**Advertising Director's Report:** No report.

**Goodie Store:** \$65 in receipts last month. Getting business from the website.

**Autocross Director's Report:** Insurance has been ordered for the next autocross (March 6). The trailer has been painted. Throw out any old waivers as there is a new form now. Membership carding will be at the gate. April 17-18 is Zone 7 autocross.

**Membership Report:** Do not expect data until the middle of the month. Thus no new badges this month. Double badge order at the end of March.

**Webmaster's Report:** December and January visits to the website were down and not many pages looked at. A consequence of not much doing.

**Concours Chairman's Report:** No report.
